ANTIBULLYING POLICY

2024-2026

Our English Martyrs' School community aims to follow the example of Christ in welcoming, recognising, fostering and developing each individual as a unique and special gift of GOD with value and dignity

DEFINITION

Bullying is any deliberate, hurtful, upsetting, frightening or threatening behaviour by an individual or a group towards other people. It is repeated over a period of time and it is very difficult for the victims to defend themselves (remember STOP – it happens Several Times On Purpose). Bullying is mean and results in worry, fear, pain and distress to the victim/s.

English Martyrs' Primary School has adopted this definition of bullying.

Statement of Intent

At English Martyrs' Primary School we are committed to providing a warm, caring and safe environment for all our children so that they can learn and play in a relaxed and secure environment. Bullying of any kind is unacceptable and will not be tolerated in our school. We take all incidents of bullying seriously and understand the effect it can have on victims and perpetrators. No-one deserves to be a victim of bullying. Everybody has the right to be treated with respect and pupils who are bullying others need to learn different ways of behaving.

At English Martyrs' Primary School, we acknowledge that bullying does happen from time to time – indeed, it would be unrealistic to claim that it does not. When bullying does occur, everyone should be able to tell and know that incidents will be dealt with promptly and effectively in accordance with our anti-bullying policy. We are a TELLING school. This means that anyone who knows that bullying is happening is expected to tell the staff.

Aims and Objectives of this Policy

The aim of this policy is to try and prevent and deal with any behaviour deemed as bullying. The implementation of this policy will create an ethos where bullying is regarded as unacceptable so that a safe and secure environment is created for everyone to learn and work in. All members of the school have a responsibility to recognise bullying when it occurs and take appropriate action in accordance with the school policy.

This will happen in the following ways:

- The school will meet the legal requirement for all schools to have an antibullying policy in place.
- The school will work closely with other professional agencies to ensure that children stay safe as stated in The Children Act 1989, The SEN and Disability Act 2001, The Government Green Paper 'Every Child Matters' 2003 (outcome 2), The Children Act 2004 and the Equality Act 2010, KCSIE 2021.
- All governors, teaching and non-teaching staff, pupils and parents/guardians will have an understanding of what bullying is.
- All governors, teaching and non-teaching staff will know what the school policy is on bullying and will consistently and swiftly follow it when bullying is reported.
- All pupils and parents/guardians will know what the school policy is on bullying and what they can do if bullying occurs.
- Pupils and parents/guardians will be assured that they will be supported when bullying is reported.
- Whole school initiatives (staff training, celebration assemblies etc) and proactive teaching strategies (PHSE [Personal, Health & Social Education] lessons, circle time etc) will be used throughout the school to reduce the opportunities for bullying to occur.

- A positive, caring ethos will be created within the school environment where everyone can work, play and express themselves, free from the fear of being bullied.

What is Bullying?

English Martyrs' Primary School has adopted the following definition of bullying which is our shared understanding of what bullying is: Bullying can be:

- Emotional: being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures), ridicule, humiliation, whispering.
- Verbal: name-calling, sarcasm, spreading rumours, threats, teasing, making rude remarks, making fun of someone
- Physical: pushing, kicking, hitting, pinching, throwing stones, biting, spitting, using weapons, punching or any other forms of violence, taking or hiding someone's things
- Racist: racial taunts, graffiti, gestures, making fun of culture and religion
- Sexual: unwanted physical contact or sexually abusive or sexist comments
- Homophobic: because of/or focusing on the issue of sexuality
- Online/cyber setting up 'hate websites', sending offensive text messages, emails and abusing the victims via their mobile phones
- Any unfavourable or negative comments, gestures or actions made to someone relating to their disability or special educational needs.

Bullying is not:

It is important to understand that bullying is not the odd occasion of falling out with friends, name calling, arguments or when the occasional trick or joke is played on someone. It is bullying if it is done several times on purpose (STOP). Children sometimes fall out or say things because they are upset. When occasional problems of this kind arise it is not classed as bullying. It is an important part of children's development to learn how to deal with friendship breakdowns, the odd name calling or childish prank. We all have to learn how to deal with these situations and develop social skills to repair relationships.

Where does bullying happen?

It can happen anywhere – in the classroom, in the corridor, in the toilets, in the dining hall, in the playground etc. Bullying may also happen on the way to and from school. In such cases, the Headteacher is empowered by law to deal with such incidents but must do so in accordance with the school's policy. (See also Behaviour Policy). At English Martyrs' Primary School, we are concerned with our children's conduct and welfare outside as well as inside school and we will do what we can to address any bullying issues that occur off the school premises.

The following steps may be taken:

- Talk to the local Community Police Officer about problems on the streets
- Talk to the transport companies about bullying on school buses and in school taxis
- Talk to the Head Teachers of other schools whose children may be involved in bullying off the premises
- Map out safe routes to school for children, linking them to the School Travel Plan
- Discuss coping strategies with parents
- Talk to the children about how to handle or avoid bullying outside the school premises

Signs and Symptoms

A child may indicate, by different signs or behaviour, that he or she is being bullied. Adults should be aware of these possible signs and investigate further if a child:

- is frightened of walking to or from school
- doesn't want to go on the school bus/in the taxi begs to be driven to school
- changes their usual routine/route to school
- begins truanting
- becomes withdrawn, anxious or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to underperform in school work
- comes home with clothes torn or books damaged
- has possessions go "missing"
- asks for money or starts stealing money e.g. (To pay the bully)
- has dinner or other monies continually "lost"
- has unexplained cuts or bruises comes home starving (money/snack/sandwiches have been stolen)
- becomes aggressive, disruptive or unreasonable
- starts swearing or using aggressive language for no apparent reason
- is bullying other children or siblings
- stops eating
- is frightened to say what's wrong
- gives improbable excuses for any of the above.

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be taken seriously and investigated as soon as possible.

What can children do if they are being bullied?

- Tell someone that they can trust – it can be a teacher, a teaching assistant, a member of the lunchtime team, a parent, a friend, or a relative. Generally, it is best to tell an adult they trust straight away. They will get immediate support.
- Tell themselves that they do not deserve to be bullied and that it is wrong.
- Try not to show the bully that they are upset. It is hard, but a bully thrives on someone's fear.
- Stay with a group of friends/people. Bullies usually pick on individuals.
- Write down the problem and put it in the class worry box.

What can children do if they know someone is being bullied?

- Take action! Watching and doing nothing looks as if they are on the side of the bully.
- If they feel they cannot get involved, they should tell an adult immediately. Teachers will deal with the bully without getting them into trouble.
- Do not be, or pretend to be, friends with a bully.

Strategies for dealing with bullying

The following is a list of actions available to staff depending on the perceived seriousness of the situation. If bullying is suspected/reported:

- The Headteacher will be informed.
- A member of staff will be nominated to carry out an initial investigation.
- The member of staff will talk to and listen to the suspected victim, and any witnesses, making sure that the children feel safe to talk.
- The member of staff will talk to the bully about what has happened, to discover why they became involved. They will make it clear that bullying is not tolerated at English Martyrs' Primary School.
- The problem will be identified and possible solutions agreed.
- Sanctions from the behaviour policy will be applied.
- Parents will be informed on all matters identified as bullying.
- If the situation is not resolved, then the Headteacher, working with the Special Educational Needs Coordinator (SENCo) where relevant, will intervene and a behaviour plan may be written.
- All incidents of bullying will be recorded as such in the School Incident Log/Arbor.

Action to be taken to support the victim:

- Environmental changes will be made if necessary – classroom, playground to ensure that the child feels more secure.
- Staff must communicate with other staff and record, where relevant, any incidents or concerns in a playground log.
- The situation will continue to be monitored by all staff to ensure no repetition. Children will be observed at break times, lunchtimes and in the classroom. Any follow-up findings will be recorded in the monitoring section of the School Incident Log.
- Key friends identified by the child will be asked for extra support.
- The child will nominate an adult in school whom they trust and feel they can talk to.
- The child will be made aware of the importance of immediate reporting of any further incidents.
- Parents will be invited into school so that action taken can be shared.
- The SENCo and the class teacher will work together to assess whether the child needs support in the development of social skills – assertiveness, language skills.

Action to be taken to support the bully:

- Type and method of support will depend on individual needs, age and maturity of the child.
- It may be suggested that the children involved meet with the support of their class teachers.
- It will be made clear to the child that their behaviour is unacceptable because of the effect that it is having on the other child.
- The child may be asked what they hoped to gain by their behaviour – if their answer indicates that a need is not being met, then this will be addressed through discussion with parents.
- The child will be reminded that they are responsible for their behaviour and there are consequences for poor behaviour.
- Sanctions for behaviour may include the removal of breaks, lunchtimes – parents will be informed which sanctions will be used.
- Following the implementation of a behaviour plan, if the behaviour persists, then outside agency support may be requested to address the needs of the child, with the permission of parents.

Role of Parents

- Parents have an important part to play in our anti-bullying policy. We ask parents to:
- Look out for unusual behaviour in your children – for example, they may suddenly not wish to attend school, feel ill regularly, or not complete work to their usual standard.
- Always take an active role in your child's education. Enquire how their day has gone, who they have spent their time with, etc.
- If you feel your child may be a victim of bullying behaviour, please inform school. Your complaint will be taken seriously and appropriate action will follow.
- If you feel your child has been bullied by another child, please do not approach that child or the child's parent on the playground, please inform school immediately.
- It is important that you advise your child not to fight back. It can make matters worse!
- Tell your child that it is not their fault that they are being bullied.
- Reinforce the school's policy concerning bullying and make sure your child is not afraid to ask for help.

Anti Bullying Code

A school Anti-Bullying Code is in use, giving clear advice to children on what to do if they are a witness or a victim of bullying.

If you see someone being bullied:

- DO NOT rush over and take the bully on;
- DO let a teacher or other staff member know;
- DO try to be a friend to the person being bullied; DO NOT be made to join in;
- DO try to help the bully stop bullying.

If you are a victim of bullying:

- ✓ TELL a teacher or another adult in school;
- ✓ TELL your family;
- ✓ TELL a friend if you are scared to tell someone by yourself;
- ✓ TELL people until someone listens;
- ✓ DON'T blame yourself for what has happened.

Wherever you are in school, you have the right to feel safe. Nobody has the right to make you feel unhappy. If someone is bullying you, it is important to remember that it is not your fault and there are people who can help you.

Procedures for reporting and responding to bullying incidents

All staff will respond calmly and consistently to all allegations and incidents of bullying at English Martyrs' Primary School. They will be taken seriously by all staff and dealt with impartially and promptly. All those involved will have the opportunity to be heard. Staff will protect and support all children involved whilst allegations and incidents are investigated and resolved.

The following step-by-step procedure will be used for reporting and responding to bullying allegations or incidents:

9. The bully (bullies) may be asked to genuinely apologise. Other consequences may take place and appropriate sanctions applied (see next section).

11. An attempt will be made, and support given, to help the bully (bullies) understand and change his/her/their behaviour.
12. In cases of serious bullying, the incidents will be recorded by staff on the standard Incident Report Sheet. All reports will be kept in a file in the school office /child's file/ or on Arbor.
13. In serious cases parents will be informed and will be invited to come into school for a meeting to discuss the problem.
14. After the incident has been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.
15. Bullying incidents will be discussed regularly at staff meetings.
