

**Dear Parents and Carers,**

This half term our main topic is 'Going Green.' Where possible, your child's learning will be linked to this theme. This curriculum overview gives an outline of the areas of learning we intend to cover in Spring Term 2 (Feb-March). A copy of this document can also be found on our website. **PE lessons** continue to take place on a **Friday**. Homework will be set every Monday on MS Teams and other websites such as MyMaths. Thank you.

*Ms Sutherland and Ms DaSilva- Class teachers*

**MATHS**

This term we will be learning about division including dividing numbers on a number line and solving missing number problems. We will also be using our division skills with fractions when we learn about finding  $1/2$ ,  $1/4$ ,  $2/4$ ,  $3/4$  and  $1/3$  of a number. We will be learning about money and seeing what different combinations of coins we can find that add up to different totals. We will continue to learn to tell the time to the nearest fifteen minutes (o'clock, quarter past, half past and quarter to) We will learn about the properties of 2D and 3D shapes including identifying right angles.

**RELIGIOUS EDUCATION**

In RE, we will be learning about the Mass.

We will be reflecting on why Sunday is a special day and also learning about the different parts of the mass.

This will include the liturgy, the offertory, what happens at the consecration and why Holy Communion is so important to Catholics.

**DESIGN AND TECHNOLOGY**

This term in DT we will be designing and then making our own fairground wheel to mark the 25th anniversary of the London Eye.

**HISTORY - GEOGRAPHY**

Our topic this half term continues to be 'Going Green.' The children will continue to learn about the UK's landmarks and features as well as some amazing places around the world. We will also learn about our local area and how we can look after natural habitats.

**Year Two**  
**Spring Term 2**  
**Going Green**

**MUSIC**

In music, we will be studying music which accompany stories including Peter and the Wolf and the Hare and the Tortoise.

We will also be learning about creating mood and atmosphere through music.

**SCIENCE**

This term our topic will be **plants**. We will be investigating what plants need to grow and stay healthy. We will compare plants that have been grown from a bulb and ones which have been grown from a seed. As part of our science, we will also be planting vegetables and observing how they grow under different conditions.

**WRITING AND READING**

To start the half-term will be reading The Minpins by Roald Dahl, where we will be writing diary entries, character descriptions, letters and stories.

We will also be using our learning in science when we read Jim and the Beanstalk where we will again be writing letters and diary entries. We will also be writing instructions on how to plant a bean plant.

**COMPUTING**

In computing, we will be learning how to use and make spreadsheets. We will also be learning how to make our own music.

**PHYSICAL, SOCIAL, HEALTH EDUCATION**

This half term, we will be beginning our SRE unit where we will learn how we are growing and learning in diverse communities that are God given. We will also continue our Life Savers curriculum and focus on mind-up.

**SPORTS AND PHYSICAL EDUCATION**

In PE, we will be focusing on learning basic dribbling techniques and games that teach us multiple skills.
