

MATHS

This term, Year 5 will be learning a variety of mathematical skills and knowledge.

- Consolidating mixed numbers and improper fractions.
- Rounding decimal numbers to two decimal places.
- Understanding percentages and converting them into fractions and decimals.
- Mental multiplication and division and problem solving involving decimals and money.
- Calculating perimeter and area of shapes.

RELIGIOUS EDUCATION

Our RE topic is **RECONCILIATION**. We will understand that actions have consequences. We will know about God's love and forgiveness; understand the meaning of sin; reflect on how the sacraments help us.; and reflect on what it means to experience forgiveness.

COMPUTING

In Computing this term, we will learn how to create spreadsheets and use analytical software on Purple Mash.

HISTORY & GEOGRAPHY

In History and Geography this term, we will be exploring the impact of the invasions of the Anglo Saxons and the Vikings in England. We will explore trade, travel and the beginning of laws in England during this period.

Dear Parents and Carers,

Here is year 5's Topic Overview for Spring Term 2. This term, we will be studying the thrilling topic of **Anglo-Saxons and Vikings**, full of legendary tales of heroism and invasion. Our Reading and Writing will link to this fantastic topic. Meanwhile, children will continue to develop their skills across the remaining subjects. Please remember, our PE Day is on a Thursday. Thank you.

Ms Rossi and Miss Gilby – Class Teachers

Year Five
Anglo Saxons & Vikings
Spring Term 2

MUSIC

This term, we will be learning about Musical devices. The children will listen to music using a range of devices such as riffs, ostinatos and ground bass patterns.

SCIENCE

This term our topic will be **Materials and their Properties**. In this exciting unit, we will revise the three states of matter and explore reversible and irreversible changes through a range of hands-on investigations.

PSHE

As well as continuing our Mind Up Curriculum and our Life Savers learning about finances, we will cover SRE - Journey in Love this term. In these lessons, we will show knowledge and understanding of how we grow in awareness of the physical and emotional changes that accompany puberty as we grow further in recognising God's presence in our daily lives.

WRITING AND READING

In Destination Reader and in Writing, we will study *Beowulf* by Michael Morpurgo. Children will get an opportunity to discuss legends and the importance of heroic poetry in early European literature. By the end of the term, the children will write an imagined final chapter of Beowulf's life.

DESIGN AND TECHNOLOGY

This term, we will be developing our Food and Nutrition skills and we will be plan and preparing an Anglo-Saxon Feast.

FRENCH

In French, our theme for this term is **En ville!** This means we will be learning about what we can find in a French town.

SPORTS AND PHYSICAL EDUCATION

This term in PE, Year 5 will continue to develop their games skills. They will develop their attack and defence skills; as well as their passing and movement on their feet. Alongside this, the children will continue to develop their teamwork skills.
