

Admissions Policy

2026-2027

Our English Martyrs' School community aims to follow the example of Christ in welcoming, recognising, fostering, and developing each individual as a unique and special gift of GOD with value and dignity.

Admissions Policy and Procedure 2026-27

ENGLISH MARTYRS' RC PRIMARY SCHOOL

DfE number: 210/3341

English Martyrs' Catholic Primary School is a voluntary aided school in the Diocese of Southwark. It is in the trusteeship of the Diocese of Southwark. The school is conducted by its Governing Body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government and seeks at all times to be a witness to Jesus Christ.

The school exists primarily to serve the Catholic community and Catholic children always have priority of admission. However, the Governing Body also welcomes applications from those of other denominations and faiths and from those who have no faith who support the religious ethos of the school.

Having consulted with the Local Authority, the Diocese and other admission authorities, the governors intend to admit up to 30 pupils, (the Published Admission Number (PAN), without reference to ability or aptitude) to the Reception class (St Patrick) for the school year which begins in September 2026.

Applications for admission to the Reception Class are welcomed for all children who satisfy the admission criteria regardless of whether the child has attended English Martyrs' Nursery or not. On the other hand parents need to note that attendance at English Martyrs' Nursery does not automatically guarantee a place in our school's Reception class.

Where the number of applications exceeds 30 the Governors will offer places using the following criteria in the order stated below:

1. Looked after Catholic children and all previously looked after Catholic children who have been adopted or who have become the subject of a child arrangement order or special guardianship order. Catholic children who appear (to the admissions authority) to have been in state care outside of England and cease to be in state care outside of England as a result of being adopted.
2. Baptised Catholic children. A baptismal certificate or evidence of reception into the Catholic Church must be provided.
3. Looked after children and all previously looked after children who have been adopted or who have become the subject of a child arrangement order or special guardianship order. Children who appear (to the admissions authority) to have been in state care outside of England and cease to be in state care outside of England as a result of being adopted.
4. Children enrolled in the catechumenate. Evidence of enrolment in the catechumenate will be required.
5. Children who are members of Eastern Orthodox Churches. Evidence of Baptism will be required.

6. Christians of other denominations and whose application is supported by a minister of religion.
7. Children who are members of other faiths and whose application is supported by a religious leader or evidence of membership provided with the application.
8. Any other children.

The following order of priorities will be applied when applications within any of the above categories exceed the places available and it is necessary to decide between applications.

- i. A brother or sister on the school roll at the time of admission. Evidence of the relationship maybe required. The governors will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's published admissions number.
- ii. Living in the parish of English Martyrs', Walworth or in the parish of St Wilfrid's, Walworth. (*See attached appendix – Parish Maps and boundaries*)
- iii. Social, pastoral and medical needs which make the school particularly suitable for the child in question. Strong and relevant evidence must be provided, at the time of application, by an appropriate professional authority (eg qualified medical practitioner, education welfare officer, social worker or priest).
- iv. Proximity to the school of the child's home address, the distance measured in a straight line from the school entrance using a geographical computerised information system. Evidence of residence may be required. Where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the school the place will be decided by the drawing of lots.

NOTES:

- a. Catholics include members of the Ordinariate and the Latin and Oriental Rite Churches that are in union with the Bishop of Rome.
- b. A "brother or sister" means children who live as brother and sister including natural brothers or sisters, adopted siblings, step brothers or sisters and foster brothers or sisters. It would not include other relatives (eg cousins).
- c. Home refers to the permanent home address at which the child lives for the majority of his/her time and with the parent who is in receipt of child benefit.
- d. A looked after child has the same meaning as in section 22 (1) of the Children Act 1989 that is a child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application. A previously looked after child is a child who was looked after but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order. This will include children who appear (to the admission authority) to have been in state care outside of England as a result of being adopted.

ADMISSIONS PROCEDURE FOR RECEPTION CLASS - completing the common application form (CAF)

All parents/carers/Legal Guardians **MUST** complete online a **Common Application Form (CAF)** www.southwark.gov.uk/schooladmissions by **15th January 2026** as all applications are handled through the Southwark primary co-ordinated admissions process.

Offers of places will be sent to parents by their home local authority on the **common offer date**.

PUPILS WITH A STATEMENT OF EDUCATIONAL NEEDS (SEND) OR AN EDUCATION HEALTH CARE PLAN (EHCP)

The admission of pupils with a statement of SEND or EHCP are dealt with by a completely separate procedure. This procedure is integral to the making and maintaining statements by the pupil's home Local Education Authority. Details of this separate procedure are set out in the Special Educational Needs Code of Practice. Pupils with a SEND statement or an EHC naming the school, will be admitted without reference to our Admissions criteria.

IN-YEAR (CASUAL) ADMISSIONS

Applications for a place at the English Martyrs' school in-year must be made using the school's IN YEAR APPLICATION FORM available on the school website or from the school's office.

In the event of there being more than one application for a place, the governors will use the admissions criteria outlined above to rank the applications. The offer of a place at the school will be made by the governors in writing within 15 school days. In the event of the governors deciding that a place cannot be offered parents will be offered the opportunity of placing their child's name on the waiting list. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.

THE FOLLOWING DOCUMENTATION IS REQUIRED.

- Baptismal certificate (for those applying under admissions criteria 2).
- Birth certificate (short birth certificate is sufficient)
- Proof of address (e.g. utility bill, council tax bill, tenancy agreement)

Parents will be advised of the outcome of their applications by post. Unsuccessful applicants may request the reason why their application was unsuccessful and advised of their right of appeal to an independent appeal panel.

APPEALS

Parents whose applications for places are unsuccessful may appeal to an Independent Appeal Panel setup in accordance with section 94 of the School Standards and Framework Act 1998. Appeals must be made in writing and must set out the reasons on which the appeal is made. Appeals should be made to the Admissions Appeal Clerk at the school address. Parents/Carers have the right to make oral representations to the Appeal Panel.

Infant classes are restricted by the legislation to 30 children. Parents should be aware that an appeal against refusal of a place in an infant class may only succeed if it can be demonstrated that: -

- a) the admission of additional children would not breach the infant class size limit; or
- b) the admission arrangements did not comply with admissions law or had not been correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or
- c) the panel decides that the decision to refuse admission was not one which a reasonable admissions authority would have made in the circumstances of the case.

ADMISSION OF CHILDREN BELOW COMPULSORY SCHOOL AGE

The governors will provide for the admission of all children in the September following their fourth birthday. Parents can defer the date their child is admitted to the school until later in the school year or until the child reaches compulsory school age in that school year; parents may also prefer that their child attends part-time until the child reaches compulsory school age.

ADMISSION OF CHILDREN OUTSIDE THEIR NORMAL AGE GROUP

For the purposes of safeguarding, Southwark residents must complete Southwark Council's 'Request for admission outside of the normal age group' form:

www.southwark.gov.uk/schools-and-education/school-admissions/admissionof-children-outside-their-normal-age-group

Parents who are seeking a place for their child outside of their normal age group, eg, the child has experienced problems such as ill health or the parents of a summer born child preferring not to send their child to school until the September following their fifth birthday, may request that they are admitted out of their normal age group that is to reception rather than year 1.

Governors will make decisions on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group, and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They will also take into account the views of the school's head teacher. When informing a parent of the decision which year group the child should be admitted to, the governors will set out clearly the reasons for their decision.

Where the governors agree to a parent's request for their child to be admitted out of their normal age group and, as a consequence of that decision, the child will be admitted to the age group to which pupils are normally admitted to the school the local authority will process the application as part of the main admissions round, (unless the parental request is made too late for this to be possible) and on the basis of the determined admission arrangements, including the application of oversubscription criteria where applicable.

The agreement to admit any child outside of their normal age group does not guarantee that a school place will be offered as this is a separate process. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group.

WAITING LISTS

Parents of children who have not been offered a place at the school will automatically have their child's name placed on a waiting list. The waiting list, which will be maintained until at least 31st December of each school year of admissions. The waiting list will be operated using the same admissions criteria listed above. Placing a child's name on the waiting list does not guarantee that a place will become available. This does not prevent parents from exercising their right to appeal against the decision not to offer a place. It is possible that when a child is directed under the local authority's fair access protocol they will take precedence over those children already on the list.

FAIR ACCESS PROTOCOL

The school participates in the local authority's Fair Access Protocol to allocate places to vulnerable and other children in accordance with the School Admission Code 2021. Admitting pupils under the protocol may require the school to admit above the planned admission number for the relevant year group.

LATE APPLICATIONS

Any late applications will be considered by the Governors' Admissions Committee, in the event of there being any available places, using the above criteria. If all places have been filled, parents will be offered the opportunity of placing their child's name on the waiting list. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.

****This admissions procedure, although primarily relevant to children for whom a place is sought at the normal age of entry to primary education (Year R), will also apply to succeeding years, and be subject to the availability of places. This Admissions procedure will also apply to the admission of children to the Nursery for the September following their third birthday.*

APPENDIX 1: ADMISSION CRITERIA – NOTES

Looked after Catholic children or looked after children in the care of Catholic families, looked after Catholic children who have been adopted or who have become the subject of a residence or guardianship order and Catholic children who appear (to the admissions authority) to have been in state care outside of England and cease to be in state care outside of England as a result of being adopted.

This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and children’s Act 2002 (see section 46 adoption orders).

Child arrangements are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence orders in force prior to 22 April 2014 is deemed to be a child arrangements order,

Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Any references to previously looked after children in the School Admissions code 2021 means such children who were adopted (or subject to child arrangement orders or special guardianship orders) immediately having been looked after”.

‘Catholic’ means a member of the Roman Catholic Church of the Ordinate and the Latin and Oriental Rite Churches that are in union with the Bishop of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. A full list is attached at Schedule 1.

‘Practising Catholic’ means Catholic children from practising Catholic families who habitually worship at Mass on a regular basis and where the application is supported by a Catholic priest. The governing body will expect this practice to be verified by a priest in the standard format laid down by the diocese. Governors will take into account frequency of mass attendance when determining catholic commitment and practice. Applications evidencing most frequent attendance will be prioritised above those showing less regular attendance at mass.

Members of denominations falling within Churches Together in England (Schedule 2), and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the governing body will normally require written evidence from an appropriate professional, such as a social worker, doctor or priest.

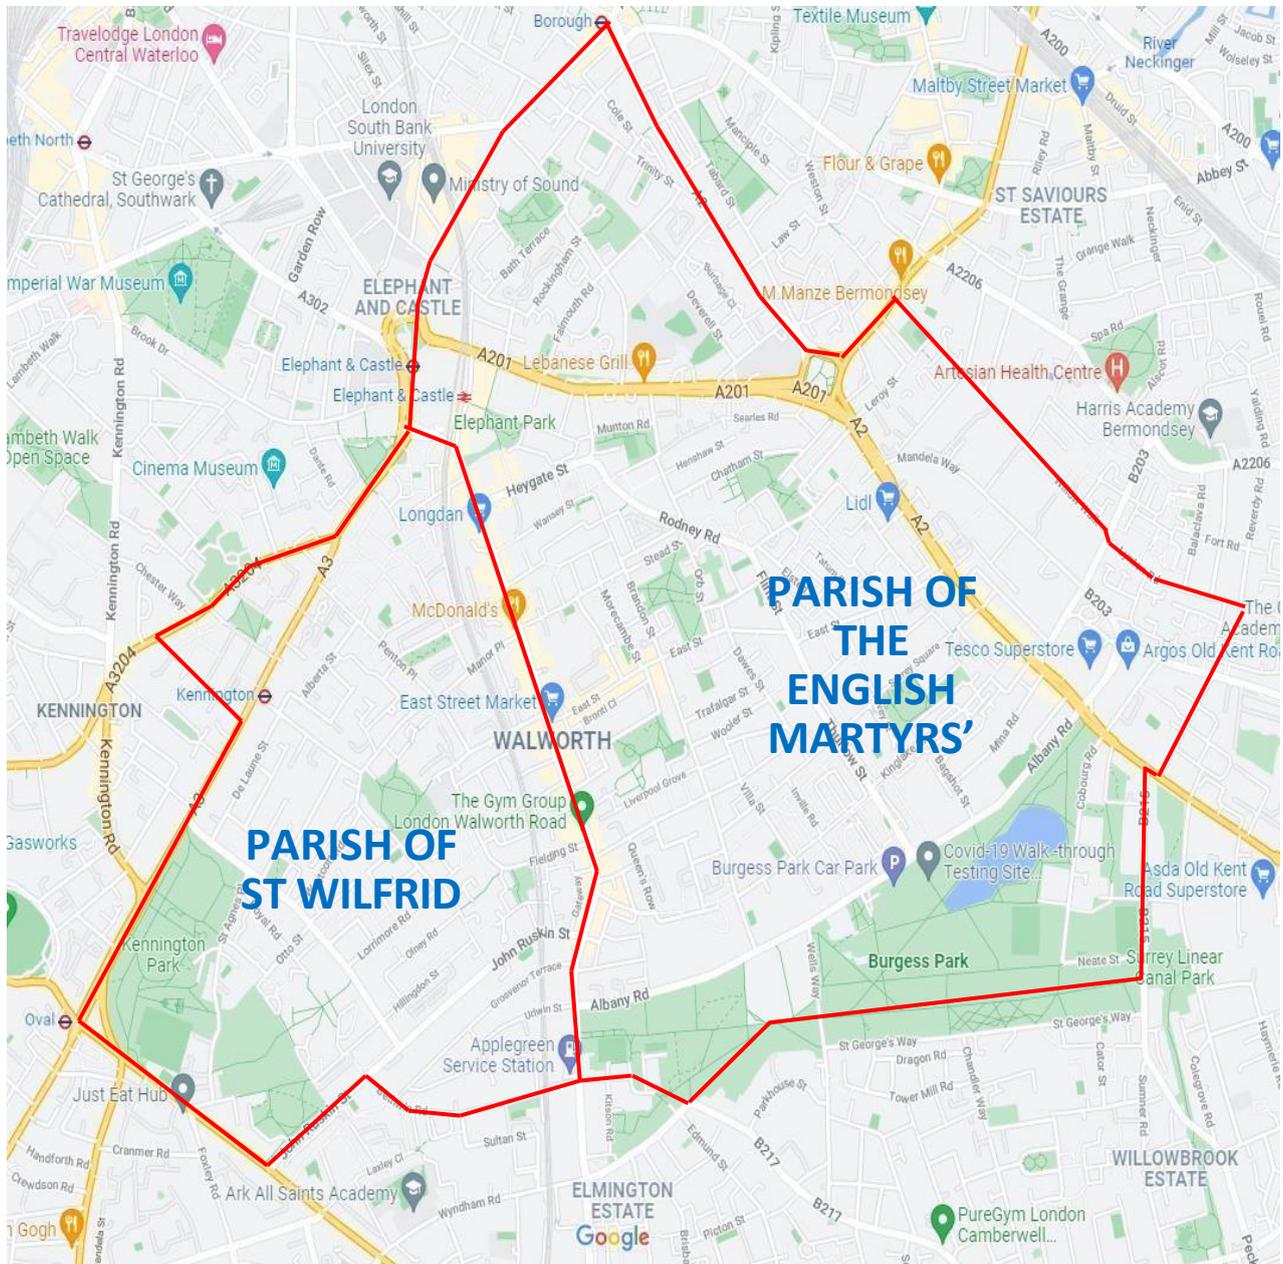

For the purposes of this policy, parish boundaries are as shown on the attached map. Distances will be measured from the main entrance of the school (in a straight line on a large scale map) by measurements obtained from the LEA
